Diabetes Prevention Youth Camp

Tuesday, May 30–Friday, June 2, 2017
Mingus Mountain Camp - Prescott Valley, AZ

Dear Parents,

NATIVE HEALTH is pleased to announce the Living Well Traditionally Youth Diabetes Prevention Camp, Tuesday, May 30–Friday, June 2, 2017 for Native American children, ages 10-12. LWT Summer Camp will be held at Mingus Mountain Camp - Prescott Valley, AZ.

There is a \$75 registration fee per child. Scholarships are available.

Applications will only be accepted when all forms are completed and registration fee is paid. Please read the entire packet with your child so everyone has a successful and enjoyable time. **If you live in Maricopa County, all physicals must be completed by a NATIVE HEALTH medical provider.** Deadline for applications is **Friday, April 21, 2017.**

NATIVE HEALTH is entering its 16th year of providing the tools necessary for our American Indian/Alaskan youth to reduce the risk of developing Type 2 Diabetes Mellitus. In addition to offering a fun outdoor camping experience, the LWT Summer Camp will also provide instruction on the importance of nutrition, physical activity, self-esteem, diabetes prevention, and traditional activities.

Behavior and discipline problems affect the entire camp structure and other children's camping experience. Parents will be contacted in the event behavior problems arise, and campers may be dismissed and will have to be picked up by the parent/guardian at the camp, at your own cost.

Please do not mail or send any food, drinks, candy or gum for your camper. We do not allow food in the living units because these items attract rodents or wildlife. Three meals as well as morning and afternoon snacks with healthy drinks will be provided.

LWT Summer Camp is a place for safe, wholesome fun and learning. We are dedicated to keeping it that way. Thank you for sharing your camper with us and we will be working very hard to make sure they have a great time at Camp Colley this summer.

If you have any questions please call Amanda Chee at **(602) 279-5262 ext. 3457**, Monday through Friday 8 a.m. – 5 p.m., or email: **achee@nachci.com**. If you have a Yahoo email account, we are unable to communicate with you. Please use an alternate email and include a phone number.

Thank you,

Katie Carpenter, Ph.D.
Diabetes Program Coordinator
